Re: **United States v. Ari Teman**, S2 19 Cr. 696 (PAE)

Dear Judge Engelmayer:

The Government respectfully writes to provide a further update to its letters of March 14 and April 1, 2025, in response to the Court's Order, dated March 12, 2025. (See Dkts. 521, 522, 523). The Government previously advised the Court that it expected to be in a position to submit the independent medical professional's report to the Court by approximately April 11, 2025. The Government now anticipates that report will be finalized and submitted by April 15, 2025. To the extent this delay requires additional time to consider that forthcoming submission, and, pending its conclusion about the viability of air travel for Teman, for Teman to respond, the Government consents to a corresponding extension of Teman's deadline return to the United States, from April 25, 2025 to April 29, 2025.

Respectfully submitted,

MATTHEW PODOLSKY
Acting United States Attorney for the
Southern District of New York
